

Dear Parents and Carers

Welcome back to all of our continuing families and particularly to students and families who have joined us from other schools in Queensland and interstate.

A special welcome to our new staff this year, who include:

Greg Cox

2008 Results

Congratulations to our OP eligible students on some excellent results.

Peter Lane received an OP of 1, while ten percent of students were in the OP range of 1 – 5 and sixty-eight percent of students were in the 1 – 15 range.

Over ninety percent received a university offer in the first round.

These are excellent figures and again a credit to subject teachers and the excellence of QCS preparation. This programme commences from the first week of school.

Well done to students and staff.

Induction Ceremony

Our Senior Induction Ceremony was conducted at the YMCA on Tuesday 10 February for our Year 12 students as leaders of our school. All of these students were recipients of a school badge.

Our elected leaders were presented with their badge of office, and pledged their commitment to their leadership role in our school.

Special thanks to Jan Metzlar, our Year 12 Coordinator, for coordinating this event and to all staff who assisted in making this such a successful event.

Timetables

Whilst we will be able to accurately predict our numbers this year, we received more Year 8 student enrolments than expected. As a result, there will be an adjustment to classes in the junior school.
