S ENIOR LEADERS SHOW THE WAY...

Sam Johnston and Stephanie Rowe assisted us with our Year 7 Leadership Camp on Thursday 5 March, after school, to speak to the Year 7 leaders from six local primary schools about their life at high school from Year 8 to their current positions as Year 12 leaders. You may remember it is a session we do every year? I believe it is still one of the more powerful sessions we offer the Year 7's as they really did respond well as Sam and Stephanie can deliver the facts about what really happens at high school better than any adult!

We leave the room when they present, as we know the Year 7s are more likely to ask the more personal questions when we are not there. For several years now we have been able to call on quite a few ex-Year 7 leaders who had continued developing their leadership potential and were successful in being chosen as leaders of their high school in Year 12. This year we asked Sam and Stephanie to be presenters as they were Year 7 leaders at Yorkey Knob and Trinity Beach in 2004.

I would like to sincerely thank Sam and Stephanie for being prepared to be involved again, but this time as Year 12 leaders. They were very professional, courteous and a credit to themselves and your school. An absolute pleasure to see and talk to again. It amazes me to see such confidence and quality in our youth of today. It must make you very proud to have such wonderful young adults as the leaders of your school.

Can you please pass on my sincere thanks for their participation in this year's Leadership Camp and tell them that the Year 7's were thrilled by their presentation and agreed that it was one of the best sessions we offered.

Cheers
Geoff BARFORD
