

Cool Rooms, Freezer Rooms & Refrigeration Plant Kits

Why Polyurethane Panels?

1. **Low Thermal Conductivity** - 75mm Panel is just as efficient as 100mm or 150mm polystyrene panel; therefore a thinner wall means more internal storage space.
2. **High Compressive Strength** – 230kPa, strong panels.
3. **Camlock Panel Locking System** – panels are camlocked to create a very strong and airtight joint.
4. **Tongue & Groove Panel Joints** – this assures proper alignment and an airtight and vapour proof joint.
5. **Corner Wall Panels** – provides maximum strength and guarantee perfect alignment.
6. **Foam In Place** – one-piece homogenous foam.

7. **Fire Retardant** – reduces fire risk.
8. **Water Absorption Properties** – water taken up only by direct absorption through cell walls, which is very slow – if at all. Therefore low water absorption and diffusion adds longer life to the cool room / freezer.

Stock Code	External Room Size (mm)	Cool Room Only Wholesale Price	Cool Room & Motor Package Wholesale Price	Freezer Room Only Wholesale Price	Freezer Room & Motor Package Wholesale Price
CR 1.5 x 1.8	1500 x 1800	\$3,250	\$6,010	\$3,450	\$7,350
CR 1.8 x 1.8	1800 x 1800	\$3,500	\$6,380	\$3,700	\$7,600
CR 1.8 x 2.4	1800 x 2400	\$4,100	\$7,100	\$4,200	\$8,880
CR 1.8 x 3.0	1800 x 3000	\$4,650	\$8,250	\$4,850	\$9,530
CR 2.4 x 2.4	2400 x 2400	\$4,600	\$8,200	\$4,800	\$9,480
CR 2.4 x 3.0	2400 x 3000	\$4,900	\$9,100	\$5,100	\$10,980
CR 3.0 x 3.0	3000 x 3000	\$5,200	\$9,400	\$5,400	\$11,280
CR 3.0 x 3.6	3000 x 3600	\$6,500	\$11,300	\$6,700	\$12,580
CR 3.0 x 4.2	3000 x 4200	\$7,200	-	\$7,400	\$16,760

Note:

- These Cool Rooms are designed to operate at a maximum ambient temperature of 43°C between +2°C and +4°C
- These Freezer Rooms are designed to operate at a maximum ambient temperature of 43°C between -18°C and -25°C
- Freezer Rooms include Heater Wire installed in the doors and 1 x Pressure Relief Port.
- All rooms available with either right or left hand opening doors, must be specified before delivery.
- Installation of shelving, an emergency bell or internal light are optional extras (light is included in complete kits).
