NEWSFLASH

INTERNATIONAL PASSENGERS NOT TRAVELLING TO THE UK/EUROPE

There are likely to be significant delays at airline check-in counters due to the confusion caused by the Europe/UK current closure of airspace.

If you are travelling somewhere else, please allow plenty of extra time to check-in, more than you normally would.

If you require further assistance please contact your Voyager Travel consultant.

Real service, real experience, real innovation.

That's the Voyager difference.
